

Emma Sutton

Queen of Diamonds

“Emma made the audience think, act, react and above all sparkle and shine. She is an honest and open speaker, who truly relates to her audience.”

Ruth Lloyd-Williams, Founder of Network SHE

You Can Be Unforgettable: Diamonds Are Forever

Do you want your company and brand to stand out in what is an increasingly crowded marketplace? How do you compete with global brands without spending a fortune on advertising and marketing?

In this inspirational keynote, Emma will help your company discover just how simple it can be to create a WOW for your customers. You want to create an experience that will have people talking about how brilliant you are. You'll leave this powerful event knowing:

- **One thing that you can do to quickly generate a real buzz around your brand**
- **What you can learn from a certain yeast extract about creating a lasting impact**
- **How Diamonds can be as cheap as chips, yet last forever in the minds of your customers**

Illustrated with real life stories and examples, you'll leave buzzing with simple ideas to help your business get noticed immediately. Ideas that cost very little, but whose impact is priceless. Drawing on her own journey in becoming visible as a consultant, Dr Emma Sutton created a simple system to help businesses get noticed, whatever the size or nature of the business.

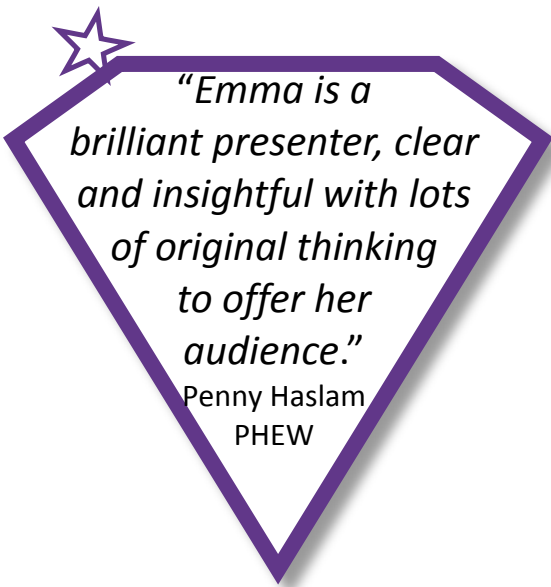

If you want to know how to make your message stand out and shine, listen to Emma.

*I heard Emma speak at a recent event with great passion and insight. As a result **we won a new client** by making the most of the value in our Diamonds.*

Emma is clear, actionable and enthusiastic.

Don't miss her.

Dr Emma Sutton has been dubbed
"The Queen of Diamonds."

She uses strategies to help you create experiences and messages that are simple, surprising and memorable.

Her wry sense of humour will have your audience looking at the ways they do business and talk about what they do in a whole new light. Whilst passing on invaluable advice to ensure you stand out.

Her goal is to make your business or event truly
UNFORGETTABLE.

Dr Emma Sutton is an Award Winning Speaker* with over twenty years' experience. She has delivered hundreds of workshops and presentations in the UK, USA and Europe.

In her journey from chemical engineer to Queen of Diamonds, Emma developed her own unique take on what it takes a brand and business to stand out and shine on a shoestring.

She regularly consults with entrepreneurs and businesses in the areas of branding, brand messaging, compelling stories and marketing.

If you feel that your audience could benefit from learning from her experience, then book her to speak at your conference or event.
